BlueBox

beta-0.0.1

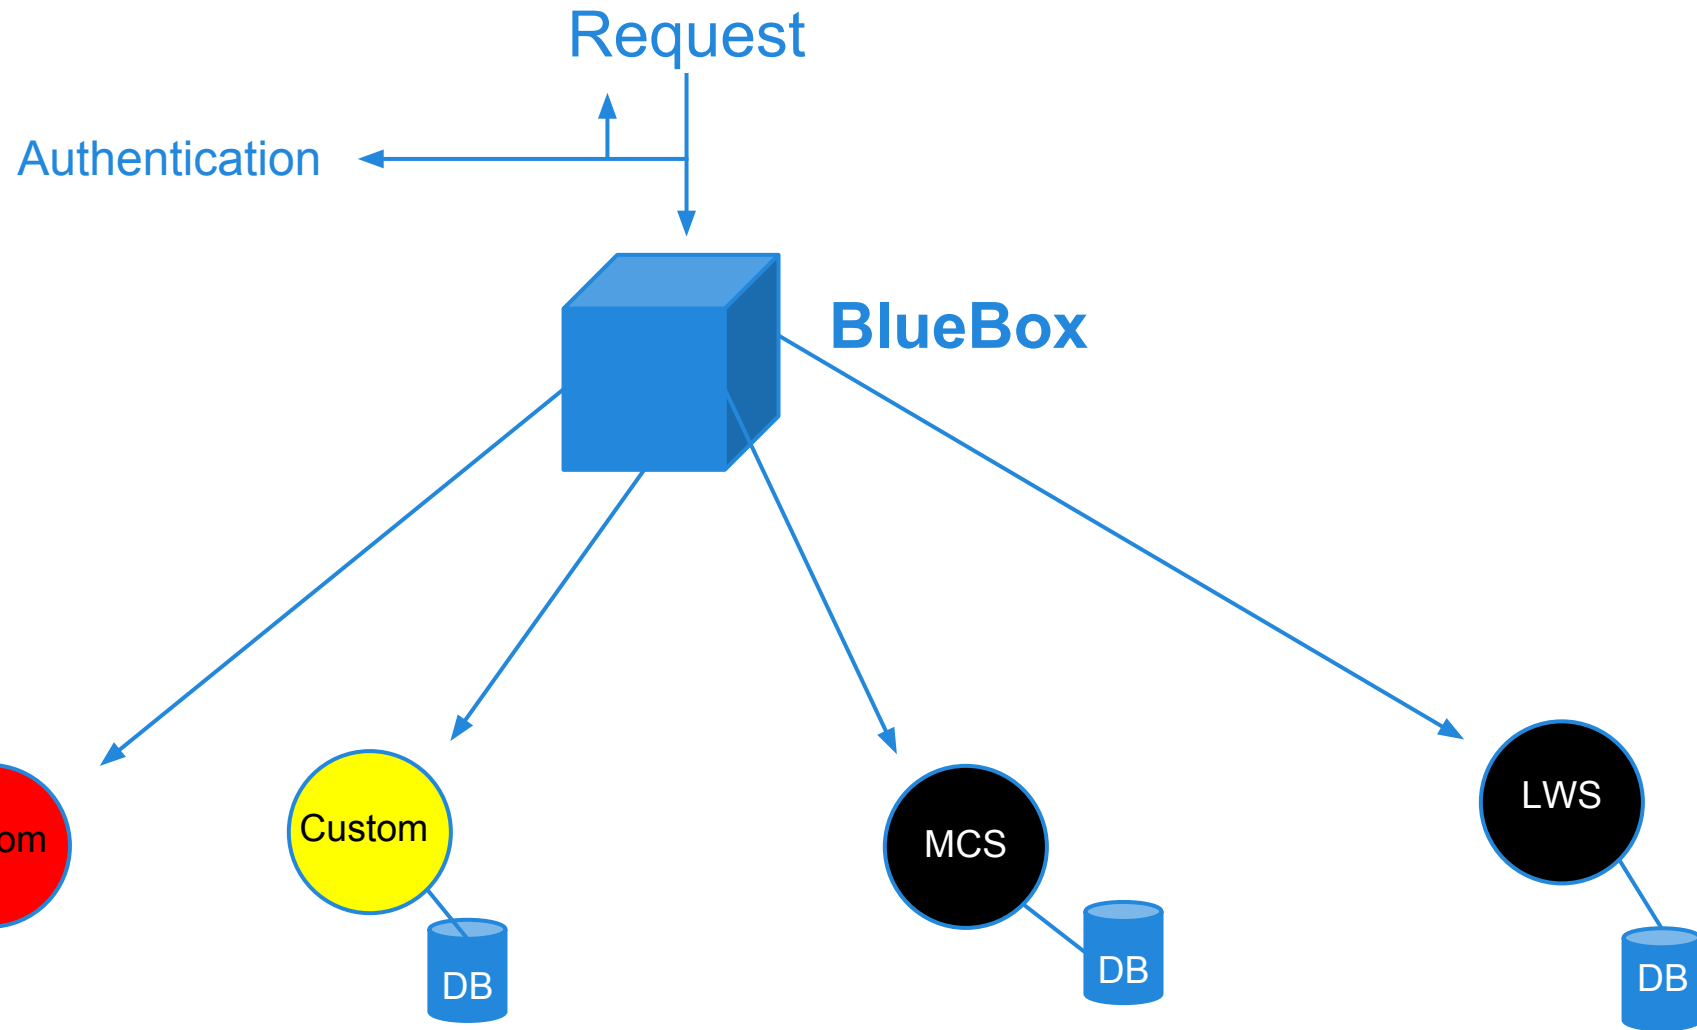

It's blue and it's a box

BlueBox

beta-0.0.1

It's all about integrating your app with available services within Sky.

Why?

**Because
we**

Believe in Better

Benefits

1. Authentication
2. Data binding
3. Data customisation
4. Standalone frontend apps
5. Convention over configuration
6. No more custom proxies
7. Reusability
